WORK EXPERIENCE

Web Developer Intern

Nexocide Pvt. Ltd. July 2025- September 2025 Panjim,Goa

- Collaborated with the development team to design, build, and deploy dynamic web applications using Next.js, Tailwind CSS, Express.js, MongoDB, and Firebase.

- Contributed to both front-end and back-end development, ensuring responsive design and optimized API integration.

- Assisted in debugging, testing, and maintaining code quality to enhance overall application performance.

- Deployed and managed projects on Vercel and Render, ensuring smooth CI/CD workflows and reliable uptime.

- Participated in Agile development practices, coordinating effectively with team members to meet project milestones.

- Gained hands-on experience in modern web technologies, improving technical proficiency, problem-solving skills, and understanding of full-stack development processes.
